

Giving

The Wissahickon Valley Watershed Association (WVWA) is a member-supported environmental organization that does not receive governmental assistance or tax revenue funding. WVWA's operating budget depends entirely upon our loyal members and generous donations from individuals, foundations and corporations. Each and every gift is important and is used to support WVWA's mission.

For more details about the variety of ways to support WVWA please contact Anna Marchini, Director of Development, at anna@wvwa.org or 215-646-8866.

CORPORATE SPONSORSHIP

WVWA hosts 6 signature events each year with attendance of more than 2,700 people. As a corporate sponsor, your company will have your name and logo in all marketing materials for the event showing your company cares about protecting open space in the community.

EITC

The Educational Improvement Tax Credit (EITC) provides companies with a 75% tax credit for donations to an educational improvement organization, which WVWA is approved for. Not only does your business receive a PA state tax credit for your contribution to an Educational Improvement Organization, your contribution is also eligible as a charitable donation on your federal tax returns.

PLANNED GIVING

For many people, making a planned gift is not only a way to actualize their values while serving their community, but it can also be an important component of their tax strategy, estate planning, and investment strategy. Such planned gifts can help you reduce or eliminate capital gains or estate taxes, and obtain significant income tax deductions.
