SPONSORSHIP OPPORTUNITIES

The heart of [Wissahickon Trails'](#) mission is connecting land, water, and people. One way that we create that connection is through our signature events. Events, like the [Green Ribbon Gala](#), bring together a community of individuals and businesses that share a passion for protecting and restoring the open spaces and waterways in the Wissahickon Valley.

Supporting Wissahickon Trails' largest fundraising event of the year, the **Green Ribbon Gala**, will provide your company exposure to local, civically minded individuals who trust our work and our partners.

Your company will receive tickets to the event, name recognition via event materials (invitation, program, and event signage) and through all our marketing channels.

At this year's Green Ribbon Gala we have the privilege of honoring Tim and Aurora Hughes, who have been champions of open space for over 25 years. Tim and Aurora's support and leadership have contributed to the preservation and restoration of [45 acres of open space](#).

Finding meaning and connections in nature is at the heart of our work at Wissahickon Trails and this work is possible with the support of people like the Hughes' and businesses like yours.
