

10k Preserve Run Saturday, November 4, 2023

We are introducing a new Trail Run for 2023 - Wissahickon Trails' 10k Preserve Run.

This new course will showcase recently acquired open space that provided the ability to connect 6 preserves - Briar Hill, Hughes Family, Cheston Family, Camp Woods, and Armentrout Preserves, managed by Wissahickon Trails and Whitpain Township's Prophecy Creek Park.

Runners from around the region will enjoy a 10k fall trail run along a natural, unpaved path that winds through old forests, new growth, and meadows. This is the only 10k in the Montgomery County portion of the Wissahickon watershed.

Your company's support of this event and Wissahickon Trails shows a shared commitment to protecting our local environment and keeping green spaces and trails open and available for the community to enjoy. Your company **logo will appear on event signs** placed throughout the community and **t-shirts** for all participants. Additionally, your company will be mentioned in all our communications channels.
